

Church Transfers (*Attesten*) from the Diary of Ältester Gerhard Wiebe of the Elbing-Ellerwald Congregation: 1778 – 1788

Extracted by Glenn H Penner (gpenner@uoguelph.ca)

The following are my summaries of the church transfers (*Attesten*) noted in the diary of Ältester Gerhard Wiebe of the Elbing-Ellerwald Congregation. Wiebe's diary runs from 1778 until 1795, but his Attest notations end in 1788.

Note that this is not a complete list. This is obvious from the fact that marriages between people from his congregation and people from other congregations are recorded in his diary without any transfer noted for the latter.

Good quality scans of Wiebe's diary can be found [here](#).

+ indicates that the person had died. Dates are approximate and often deduced by interpolating between recorded dates.
