

The Chortitza Mennonite Settlement Census for 1795

State Archives of the Dnipro Region Fond 134 Opis 1 Delo 18

Glenn H. Penner (gpenner@uoguelph.ca)

This census of the Chortitza Mennonite Settlement, taken in 1795, was originally published by Benjamin H. Unruh in *Die niederländisch-niederdeutschen Hintergründe der mennonitischen Ostwanderungen im 16., 18. und 19. Jahrhundert*: 237-244. An annotated version was published in *B. H. Unruh's Research on Mennonite Migration to Russia: 1787-1895*: pp. 37-49. Finally, an annotated web version of the census was produced by Richard Thiessen in 2016.

In 2020 Glenn Penner obtained copies of the original census, found in the Dnipro State Archives. Unruh's translation was checked against the original Russian version, and a revised and corrected version of the census is now presented below.

All names have been standardized. Note that the spelling of the names is irrelevant since the original was written in Russian (using the Russian Cyrillic alphabet) and then translated into German in Unruh's book.

The second last column contains the number in the [GRANDMA](#) database. GRANDMA is a reference to the **G**enealogical **R**egistry **and** **D**atabase of **M**ennonite **A**ncestry, version 20-07, published by the California Mennonite Historical Society in July 2020. It should be noted that GRANDMA numbers can change over time, and so the numbers assigned to the individuals in this file may not remain accurate. Yellow highlighted cells indicate that the individual cannot be identified in the GRANDMA database at this time.

An [Excel spreadsheet](#) of this data is also available to download.

Cells highlighted in gray indicate missing or illegible information.

Printing Note: This document is formatted for 8½ x 14 paper.
