The following is a list of property transfers that took place within the Molotschna Mennonite Settlement during the years of 1827 and 1829. The lengthy column titles have been shortened and simplified. Spellings of the names of people and locations have been standardized. The final column is a reference to Peter Rempel's *Mennonite Migration to Russia, 1788-1828*, edited by Alfred H. Redekopp and Richard D. Thiessen, revised ed. 2007.
