Samara* Archives Fond 150 Opis 3 Delo 796 & 797

**Translated by Wilhelm Friesen (Detmold, Germany) and
Glenn H. Penner (Winnipeg, Canada) gpenner@uoguelph.ca**

The table below accounts for 23 families who moved from the Molotschna settlement to the Neu Samara settlement in 1907.

Column 1 contains an arbitrary numbering of the families.

Column 2 gives the family number in the previous Russian Revision List, or census. The date of this census is unknown.

Column 3 provides the family name of the household head (in bold) together with his patronymic and the ages for all family members. Ages are as of 1907.

Columns 4 & 5 give a count of males (M) and females (F) in each family.

Column 6 gives the village (in the Molotschna colony) in which the household head was included in the last census (date unknown).

Column 7 has been added in order to provide numbers (GM#) for the household heads from the GRANDMA database.

Note that the original tables have a 7th column with some sort of reference number, which is not included here.

* There are two or more "Samara" archives. It is unclear which archives has the original documents.

No. 645; M.W.D. Tauria Governorate, Ujesd Berdyansk, Volo Administration Halbstadt, 20. September 1907, No. 2877, Halbstadt (Gouv. Tauria)

27 September, to the Ujesd-Sjesd (*Administration of Justice*) of Busuluk.

In 1890, the rural communities (*village administrations?*) the Volost Halbstadt and Gnadenfeld in the governorate of Samara, Ujesd Busuluk bought two plots of land. They belonged to Volost Yumurtan-Tabyn and Vosnesensk, Ujesd Busuluk. Here more than 350 families from the Volost Halbstadt and Gnadenfeld were settled in 12 individual settlements, with 40 and 80 Desjatin land for each farm [*Wirtschaft*].

Today, according to the purchase contract, this land is in the full possession of these settlers. According to their application, the newcomers should also be attributed to these settlements.

Here are 17 letters of release of the resettlers from the Volost Halbstadt, which are to be settled on this land in the village of Lugansk, Vollost Jumurtan-Tabyn. The Volost Administration (*Halbstadt*) hereby deeply asks the Ujesd Administration of Justice (*Busuluk*) to attribute these letters and the listed families to the said village.
